LinkedIn Profile

PROFESSIONAL SUMMARY

Dedicated Full Stack Developer with comprehensive experience in modern web technologies including **React.js**, **Node.js**, **PHP**, and **Laravel**. Proven track record in developing scalable web applications, RESTful APIs, and database optimization. Experienced in both frontend UI/UX implementation and backend architecture design, with additional expertise in WordPress custom development and cloud technologies.

KEY ACHIEVEMENTS

Full Stack Web Development:

Successfully delivered end-to-end web applications using modern tech stacks, ensuring responsive design, optimal performance, and scalable architecture.

API Development & Integration:

Designed and implemented RESTful APIs with proper authentication, data validation, and error handling for seamless frontend-backend communication.

WordPress Custom Development:

Created custom WordPress themes and plugins tailored to specific business requirements, extending core functionality and improving user experience.

Database Design & Optimization:

Implemented efficient database schemas, optimized queries, and ensured data integrity across MySQL and MongoDB systems.

TECHNICAL EXPERTISE

Frontend Technologies

React.js, HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, Bootstrap, Responsive Design

Backend Development

Node.js, Express.js, Nest.js, PHP, Laravel, CodeIgniter, RESTful APIs

Database Management

MySQL, MongoDB, PostgreSQL (Basics), Database Design, Query Optimization

WordPress Development

Custom Theme Development, Plugin Creation, WordPress API Integration

DevOps & Cloud

AWS (Basics), Git Version Control, CI/CD Pipelines (Basics), Microservices Architecture

Development Tools

VS Code, Postman, phpMyAdmin, Composer, NPM, Command Line

PROFESSIONAL EXPERIENCE

Full Stack Developer*Aurangabad, Maharashtra, India*

Technologies: React.js, Next.js, React Native, PHP, Laravel, CodeIgniter, Node.js, WordPress (Custom Plugin Development), Shopify, MySQL, MongoDB

Working as a Full Stack Developer responsible for designing, developing, and maintaining scalable web and mobile applications across frontend, backend, and CMS platforms.

- Developed modern frontend applications using **React.js** and **Next.js**, focusing on performance, SEO optimization, and reusable component architecture
- Built cross-platform mobile applications using **React Native**, ensuring consistent UI and smooth user experience
- Designed and implemented scalable backend APIs using **Laravel**, **CodeIgniter**, and **Node.js** to support multiple frontend and mobile applications
- Developed custom **WordPress plugins (PHP)** to extend core functionality, integrate third-party services, and meet client-specific business requirements
- Worked on **Shopify** stores including custom theme enhancements, app integrations, and performance optimization
- Designed and optimized database schemas for **MySQL** and **MongoDB**, improving query performance and ensuring data integrity
- Implemented secure authentication, authorization, and RESTful API endpoints with proper validation and error handling
- Collaborated with cross-functional teams using **Git** and Agile methodologies to deliver high-quality solutions on schedule

Shaats Pvt Ltd

October 2023 - October 2025

Full Stack Developer*Aurangabad, Maharashtra, India*

Technologies: PHP, Laravel, CodeIgniter, Node.js, React.js, WordPress, MySQL, MongoDB

Working as a Full Stack Developer responsible for developing and maintaining web applications across the entire technology stack.

- Developed scalable backend APIs using **Laravel** and **Node.js**, serving multiple frontend applications
- Built responsive user interfaces with **React.js**, implementing modern UI/UX principles and ensuring cross-browser compatibility
- Created custom **WordPress** solutions including themes and plugins for client-specific requirements
- Designed and optimized database schemas for **MySQL** and **MongoDB**, improving query performance by 40%
- Implemented secure authentication systems and RESTful API endpoints with proper validation and error handling
- Collaborated with cross-functional teams using **Git** for version control and Agile development methodologies

EDUCATION

Bachelor of Computer Applications (BCA)

ADDITIONAL INFORMATION

Languages: English (Professional), Hindi (Native)

Interests: Open Source Contribution, Web Performance Optimization, Modern JavaScript Frameworks
